### **Event Sponsorship Without physical attendance (\$400) Gives the exhibitor:**

- This is new for 2021. For those who want the ability to display product information but cannot physically be present due to the costs associated with travel, per diem, lodging etc, we will have a table(s) open in the exhibition hall that will display your pamphlets, flyers, and contact information/cards. **If you have a video or virtual presentation that you would like to air that shows your product, We will display that also on a computer but the file must be sent by Sept 1 so it can be formatted on a thumb drive.** It will be displayed several times during the conference so delegates can see it as they walk around the exhibition and delegate space. If your company is still restricting travel due to COVID precautions this is a great way to virtually display and

demonstrate your product and allow the delegates to ask questions. You can also do a virtual Zoom presentation if you choose so interaction with the delegates is maximized.

**Ala Cart Banquet (Wednesday night) can be purchased for \$50 each. One or two depending on sponsorship level is included in your Exhibitor registration.**

**Here is the hotels accommodations to our technology partners.**

**SHIPPING/PACKAGES:** Please make sure if you are shipping packages to the hotel that they are labeled properly. We suggest that you ship them to arrive no more than three (3) business days prior to your scheduled event. Please have all packages clearly labeled with your name, the name of your event/group, date of your event, and your Catering Manager's name. Each box/package sent will be charged accordingly:

-Standard Sized Box- \$2.00 per box

-Large/Oversized Box- \$4.00 per box

- We will allow free storage for this event only if we have sufficient space available, we must be told in advance (as much notice as possible would be best) how many packages and sizes are coming so we can ensure we have the proper amount of storage and they are not in the way of prior events. We are not responsible for the packages once they arrive.

**We will have access to the war room starting Sunday Oct 17 so it can be used for storage if your packages are delivered Sunday. We will take care of our technology partners! This has been and will continue to be a Region 3 tradition.**
